

We're waiting for you here in La Paz.
"Tomorrow is already here!"

"We were impressed by Tailhunter's fleet of clean boats and experienced captains who are bilingual...and will accommodate your wants in targeting a variety of fish. Highly recommended for both beginners and experts. Jonathan and Jill were extremely helpful in planning our getaway from hotel accommodations, airport/boat transfers, fish cleaning and packing, and booking non-fishing related activities...We left La Paz with great memories and ice coolers full of tuna, dorado and groupers."
